EDUCATION

Al Diyafah High School | Dubai, UAE | Expected 2027
A Levels: Mathematics, Economics, Accounting. IGCSE (2025): 3 A* and 5 A grades; school recognition for excellent academic achievement.

SELECTED TECHNICAL PROJECTS

TacticLens Live | Microsoft x Premier League hackathon project | 2026
Built an 11v11 football simulation with synchronized 2D/3D replay and evidence-grounded AI match analysis using Microsoft Foundry; incorporated simulated data validation and reproducible testing. Live prototype / Source

EpilEducate | Apple Swift Student Challenge submission | 2026
Created a SwiftUI epilepsy education app with interactive first-aid scenarios, EEG-inspired brainwave visualization, and multisensory learning elements. Source

SPEAKING, WRITING & ACADEMIC ENGAGEMENT

TEDxAl Diyafah High School | Selected student speaker
Delivered Between Creation and Becoming, a talk on the pace of artificial intelligence and the importance of retaining human oversight; published by TEDx Talks.

Writing: Cybersecurity’s Importance in Today’s Growing Society; TED-Ed student speaking participation.

LEADERSHIP & INITIATIVES

Al Diyafah Model United Nations | Director of Logistics, ADMUN 2.7 | 2026
Appointed to manage conference logistics; previously co-chaired the House of Heroes committee and participated as a delegate across four ADMUN editions.

Wharton Global High School Investment Competition | School team founder & leader
Introduced the competition to the school, assembled its first team, and coordinated strategy for a simulated investment client.

Entrepreneurial Club & Student Council | School leadership
Core member of the school’s first Entrepreneurial Club, supporting the NextGen Entrepreneurial League; as a council delegate, co-organized English and IT support for school staff.

AWARDS, QUALIFICATIONS & SERVICE

Model UN: Runner-Up Best Delegate, NMSMUN (2023); Honourable Mention, ADMUN 2.3. Third place, Sustainovation Challenge. **Trinity College London:** Grade 8 Rock & Pop Vocals (Merit); Grade 7 Communication Skills (Distinction).

Community and work: Student intern, The Hive Drama and Performing Arts Center (2025); social media intern, femida.app (2023-24); facilitated sensory activities for young people and adults with disabilities.
